Dear parents / carers,

26/03/2021

Once again we have had a very challenging term; hopefully never to be repeated. I believe that the Summer term will bring not only better weather but better times and the possibility of returning to normality by the end of June.

I would like to thank the Governors who have given so much to St. Mary's particularly over the last term, all the staff for adapting so well to remote learning and to you all for the amazing effort and sacrifice you have made. It means that St. Mary's are in a strong position to bounce back after so much disruption.

I hope that this Holy week can reaffirm our faith as we journey with Jesus to the cross and resurrection and I would like to wish you all a happy and Holy Easter

God bless,
