Headteacher Mr M. Clephane*

Dear parents / carers,

02/02/21

We are glad to say that our two class bubbles are out of self-isolation and back in school. The most recent lockdown has seen the most incidents of positive cases in staff and pupils. This highlights that we cannot totally protect our school from Covid.

It shows that the safest place for children to be is at home. The majority of our school community are able to keep children at home which is making a great contribution to fighting the spread of the virus.

For those of you who have children in school can I remind you of expectations of uniform. Earrings should not be worn, and please consider your child's footwear which should be black shoes. Wellingtons are great as long as they bring their school shoes too. Trainers are fine only for PE days.

I would also remind you to adhere to the one way system which is reversed at home time. If another family member or friend is dropping off or picking your child up please make them aware of which way to come in. I would also like to remind you that masks should be worn by adults when on the school grounds.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M Clephane'.

Mr M Clephane, Headteacher
