ONLINE SAFETY

There have been some recent difficulties regarding some of our children accessing messaging sites to contact other children in the class/school. Can we remind you that some of these sites are not intended to be used by children of primary school age, and it is the responsibility of parents to monitor what their children are accessing on social media as well as apps that they are using? We are aware that some children are using apps intended for teenagers – there are age limits on the games and apps for a reason – please adhere to them! For more guidance the following site will help you to keep your child safe

OUTDOOR AREAS

Please note for safety reasons children **are not** allowed to play on any outdoor areas (Foundation, Trim Trail, and Play Park) before school starts or at the end of the school day. Thank you for your co-operation.

WELLBEING

Over the last 2 years we have been involved in a pilot working with CAMHS and are proud to say that we have been awarded the Wellbeing Chartermark. We aim for all of our children to be the best they can be, and know that children learn well when they have good wellbeing.

Article 3

All organisations concerned with children should work towards what is best for each child.

SAFEGUARDING STATEMENT

St Mary's RC Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We politely request that all parents, carers, contractors and visitors to school respect our safeguarding culture of vigilance.

Please help us to keep our school community safe and support school in reporting any concerns and/or inappropriate behaviour or actions through the appropriate channels.
