BIG SING TALL SHIPS

Singing is a good way to support wellbeing

Sharon Durant, a vocal practitioner, came to work with our Y6 children this week to help to prepare for the Big Sing for the Tall Ships, they sounded very impressive!

On 11th July our Y6 children will be joining children from other schools, and this will be relayed to schools all over Sunderland including St. Mary's so that everyone can join in an attempt to break a record of many people singing together.

ONLINE SAFETY

There have been some recent difficulties regarding some of our children accessing messaging sites to contact other children in the class/school. Can we remind you that some of these sites are not intended to be used by children of primary school age, and it is the responsibility of parents to monitor what their children are accessing on social media as well as apps that they are using? We are aware that some children are using apps intended for teenagers – there are age limits on the games and apps for a reason – please adhere to them! For more guidance the following site will help you to keep your child safe

OUTDOOR AREAS

Please note for safety reasons children **are not** allowed to play on any outdoor areas (Foundation, Trim Trail, and Play Park) before school starts or at the end of the school day. Thank you for your co-operation.
