Welcome

Welcome to St Mary's Catholic Primary School.

St Mary's Catholic Primary School is a warm, friendly school where the staff and Governors work together to provide a caring and safe environment in which children thrive.

We encourage the children to be independent, responsible and enthusiastic learners. We enjoy working in partnership with parents to achieve the best outcomes for all our children and enable them to develop spiritually, intellectually, physically, emotionally and creatively.

St. Mary's Catholic Primary School exists to serve the families of St Mary's, and St. Cecilia's and St Patrick's parishes in Sunderland.

At St. Mary's we recognise that we are all part of God's wonderful creation and therefore are all special. We learn to respect one another as we prepare for the life in the wider world.

Our school community is united by our faith. We recognise, respect and celebrate our diversity.

Our School

Our Mission Statement

'Growing, Loving and Learning in the arms of Mary'

The mission of St Mary's Catholic School is to provide for each child, a warm and secure environment where the values, beliefs, practice and knowledge of the Catholic faith are fostered and nurtured. This is achieved by learning using four key curriculum drivers: Belief, Rights, Environmental and wellbeing (BREW).

Our 3 school rules are:

'Be Kind'

'Be Safe'

'Believe'

By following these 3 simple, easy to remember rules, children can learn in a happy school environment.

Establishing and maintaining good behaviour is necessary for the safety and wellbeing of all our pupils. We expect the children to be well behaved and so bring credit upon themselves, their parents and the school. Our older children are asked to support the younger children in the school but also to act as excellent role models for the younger children.

Our Curriculum

Our rigorous, well planned curriculum combined with high quality teaching ensures that children are supported to be well rounded, empathetic young people who have a genuine thirst for learning. Children develop a strong sense of moral purpose in addition to a respect for and understanding of people.

Pupils in Early Years Foundation Stage (EYFS) learn in seven areas:

- Communication and language
- Physical development
- Personal, social and emotional development
- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

Pupils in Key Stages 1-2 study the following areas of the curriculum:

- Mathematics
- Literacy
- Science
- Religious Education
- Information and Design Technology
- History
- Geography
- Art
- Music
- Physical Education
- Personal and Social Education
- Modern Foreign Language

Our School Day

Our School

Safeguarding

Safeguarding our pupils is our number one priority. All staff are trained in Safeguarding and our Headteacher and our Deputy Headteacher are our Designated Safeguarding Officers. As a school we work closely with Sunderland Council and Clennell Education Solutions Safeguarding teams.

We follow the guidance of 'Keeping Children Safe in Education'. We regularly update our safeguarding procedures ensuring our school is a safe and secure environment for all. All staff are DBS checked before they can work in school.

Special Educational Needs and Disability (SEND)

St. Mary's School welcomes all children in the community. We ensure that all children have the same opportunity to fulfil their potential and to participate in all areas of school life including access to the National Curriculum.

St. Mary's endeavours to ensure that all children in the school are fully included in school life and recognises the importance of working in partnership with families and outside agencies where applicable. We have a SEND Co-ordinator in school who is the main point of contact for any queries.
