

Dear Parents/Carers

During Covid restrictions we had to embrace different ways of working, some of which we would like to keep. A Twitter poll conducted last year informed us that parents preferred on-line parents evenings as they could be accessed anywhere, making them easier to attend. They were also more private as they weren't in a shared area.

This year we have bought into a parents evening system, through Teachers2Parents, which means we can seamlessly go from one parents meeting into another with no running over, ensuring everyone gets the same. Parents will receive a text message or an email from school, where you will be able to book your appointment from Monday 11th October 2021. You will receive a link an hour before the meeting.

There will also be virtual Curriculum Meetings via Zoom, next week, before parents evening, where teachers will share information about your child's curriculum.

Join Zoom Meeting via link below or the Zoom App and input meeting ID and password.

We will also be using our parents evening system for children on the SEND register and you will be allocated a date and time for a virtual Review Meeting after October Half Term.

Of course if any further meetings are required, please arrange this with the class teacher.

We hope this system will be effective but we will review at the end of the year.
